

### **Is President Bush really against homosexuality?**

- \*He has appointed more open homosexuals to positions in government than all the presidents before him, combined. <sup>i</sup>
- \*He gives his support to pro-abortion, pro-sodomite Arlen Specter of Penn. instead of the conservative, pro-life candidate, knowing full well that Specter is in line for the chairmanship of the Senate Judiciary Committee. Bush can then nominate all the pro-life judges he wants without fear that they will be confirmed. <sup>ii</sup>
- \*He says that if the states want to institute civil unions, it is "FINE." <sup>iii</sup>
- \*He has written a congratulatory letter to the Metropolitan Community Church (founded by a sodomite and sodomite dominated) telling them what a blessing they are to America. <sup>iv</sup>
- \*He has been praised by the sodomite Log Cabin Republicans. <sup>v</sup>

### **Is President Bush really pro-life?**

- \*He says that America is not ready for the overturning of Roe v. Wade. thinks it is alright to murder 15 - 20,000 little unborn children whose fathers happen to be rapists. <sup>vi</sup>
- \*He had his Justice Dept. file a "friend of the court" brief to keep pro-lifers OFF the street in Wichita, KS. <sup>vii</sup> He has signed increases in Planned Parenthood funding every year in office <sup>viii</sup> (an organization that murders little unborn children, protects child molesters & pedophiles, promotes perversion of all sorts and lies through its teeth about most everything). Under G.W. the amount of federal money they receive has gone from \$187 million to \$254 million.
- \*He has signed the bill that provided for the largest amount of funding for international abortion in the history of this country. <sup>ix</sup>

### **Is President Bush good for the economy and reduction of government?**

- \*He has expanded EVERY part of the federal bureaucracy that he said he would reduce. <sup>x</sup>
- \*He has given us the biggest budget deficits in U.S. history. <sup>xi</sup>
- \*He increases our control by and dependence on the U.N.. <sup>xii</sup>
- \*He has pushed through the U.S. Patriot Act - one of the worst usurpations of Americans' basic rights in the history of this country. <sup>xiii</sup>
- \*He has poked the nose of the Federal Government ever deeper into the family with his "no child left behind" legislation. <sup>xiv</sup>
- \*He wants to require "mental health" testing for all American citizens - including school children. <sup>xv</sup>

### **Is President Bush honest, trustworthy, and godly?**

- \*He belongs to the same secret societies and internationalist organizations as his opponent. <sup>xvi</sup>
- \*He appointed William Pryor to a federal judgeship by recess appointment - as a reward for his prosecution of former Chief Justice Roy Moore. <sup>xvii</sup>
- \*He supported Arnold Schwarzenegger in California's special election - a man who has just signed two hate crimes bills and stands against almost everything that Christians believe. <sup>xviii</sup>
- \*He has greatly increased funding for the unconstitutional and often blasphemous Endowment for the Arts. <sup>xix</sup>
- \*He has said that Muslims worship the SAME God that we, as Christians, do; and has invited them into the White House for PRAYER. <sup>xx</sup>
