## Instructions:

Each printed sheet makes four cards, with fronts and backs.

Draw a picture of the god or goddess in the large decorative square.

Write his or her name below.

This is the front of the card.

In the adjacent space to the right, fill in the relevant information.

The male/female space is intended for you to write in the appropriate one over top of the light grey printing.

The nation/culture space is similarly intended for you to write in "Rome," "Greece," "Egypt," etc.

After filling in the information, cut the cards apart on the black lines.

Fold them in half on the grey lines, and glue shut.
